# We are manufacturers

EMU is a pioneer company in technical know-how for metal processing and protection, constantly investing in high technology and automation.

Care less  
about time  
because  
our work  
is timeless

Long lasting and  
weather-resistant products  
are ensured by  
scrupulous controls and tests,  
cataphoresis and painting  
processes.

## We think outside

An invitation to enthusiastically release the desire to live outdoors, beyond any physical and mental constraint; an approach that EMU translates into the continuous search for innovative and original solutions, typical of the best Made in Italy know-how.
